

# Paper Prototype Photos

## Task 1: Personal information

### Navigating to the “My Information Page”

### Inputting basic information

The image displays five sequential paper prototypes for inputting personal information. 1. "My Information" form with fields for First Name, Middle Name, and Last Name, each with a corresponding text input box. Buttons at the bottom include "Save and continue" and "exit my information". 2. "Date of Birth" form showing a dropdown menu with years from 1999 to 2001, a dropdown for months (January to December), and a dropdown for days (1 to 31). Buttons at the bottom include "go to previous form", "Save and continue", and "exit my information". 3. Another "Date of Birth" form, identical to the second one, showing a dropdown menu with years from 1999 to 2012, a dropdown for months (January to December), and a dropdown for days (1 to 31). Buttons at the bottom include "go to previous form", "Save and continue", and "exit my information". 4. "My Information" form with fields for Date of Birth (year: 2012, month: June, day: 1), Street Address, Apartment, suite, etc., City, State (MA), and Zip Code. Buttons at the bottom include "go to previous form", "Save and continue", and "exit my information". 5. A final "My Information" form with a single "exit my information" button.

## Inputting medical information

The wireframes illustrate the flow of entering medical information:

- Allergies:** Asks if you have any allergies (Yes or No). If Yes, it asks to list allergies.
- Medications:** Asks if you take any medications (Yes or No). If Yes, it asks to list medications.
- Medical Conditions:** Asks if you have any medical conditions (Yes or No). If Yes, it asks to list conditions.
- Final Step:** A summary screen where users can review their input and choose to go to previous form, save and continue, or exit my information.

## Inputting emergency contacts

The wireframes show the process of adding emergency contacts:

- New Emergency Contact:** Allows adding a primary contact with fields for First Name, Last Name, Phone Number, and Relationship.
- Primary Contact:** Shows the added primary contact.
- Add additional contact:** Allows adding secondary contacts.
- Secondary Contacts:** Shows the added secondary contact.
- Final Step:** A summary screen where users can review their input and choose to go to previous form, save and continue, or exit my information.

## Finishing data entry

This screen provides a final confirmation message:

Thank you.  
Your information will  
only be shared with  
first responders in  
the event of an  
emergency.

OK

## Viewing saved information

The wireframes show the saved information:

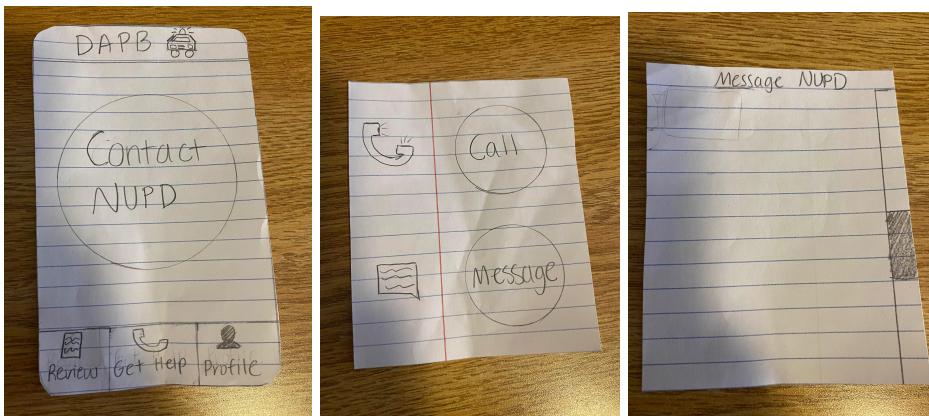

- Personal Information:** Displays fields for First Name, Middle Name, Last Name, Date of Birth (mm/dd/yy), Home Address, apartment/suite, and City.
- Medical Information:** Displays fields for Allergies (Yes/No), medical conditions (Yes/No), and medications (Yes/No).
- Emergency Contacts:** Displays fields for Primary Contact and Secondary contacts, along with options to add additional contacts or change order.
